Closure of Powerloom Units

†*620.SHRI RAM JETHMALANI:
SHRI RAJIV SINGH 'LALAN':

Will the Minister of TEXTILES to pleased to state:

(a) whether Government have received reports of closing down of powerlooms in various States in the country;

(b) if so, what is the number of the powerloom units closed during the last three years in Punjab, Maharashtra and Chennai; and

(c) the reasons for their closure?

THE MINISTER OF TEXTILES (SHRI KASHIRAM RANA) : (a) to (c) In view of the decentralized and widely dispersed locations of the powerloom units throughout the country, precise information regarding the total number of powerloom units closed in various States during each of the last three years is not available. However, based on the sample survey carried out/information gathered periodically in major powerloom clusters, the average number of units estimated to be closed during 1999, 2000 and 2001 in the States of Maharashtra, Punjab and Tamil Nadu would be as under :—

†Original notice of the question was received in Hindi.

SI. No.	State/Union Territory	Estimated number of powerlooms closed		
		1999	2000	2001
1.	Punjab	138	329	655
2.	Maharashtra	25387	34859	16380
3.	Tamil Nadu	6360	3152	9097

Major reasons of closure of powerloom units at any point include financial difficulties, power supply, lack of demand, lack of raw material, labour problem etc.
